CONSENT FORM

Philosophy: Welcome to Dr. Matthew J. Lieber's office. Please read this consent form carefully and if you agree to all of your rights and responsibilities, please sign at the bottom. Please feel free to ask any questions for clarifications at the time of your appointment.

My professional goal is to encourage clients to become knowledgeable about and responsible for their own health, and to help them to reach an optimal level of wellness. Nutritional counseling is designed to improve your health, but is not designed to treat any specific disease or medical condition. Reaching the goal of optimal health and wellness, absent of other non nutritional complicating factors, requires a sincere commitment from you, including lifestyle changes and a positive attitude. I will evaluate your nutritional needs and make recommendations of dietary changes and nutritional supplements as indicated. Since every human being is unique, I cannot guarantee any specific result from my recommendations. I will also recommend chiropractic care and or exercise rehabilitation if I believe it will help you to achieve your personal health goals.

Appointments: I agree to make every effort to keep all scheduled appointments and be on time. If I cannot attend a scheduled session, I will call Dr. Matthew J Lieber, to cancel and/or reschedule. There will be a half fee of $50 if a phone message or conversation is not received within 24 hours before the scheduled appointment time, to be paid to Dr. Matthew J. Lieber. If I am late the full fee will apply even though I will only be given my allotted time that my appointment was scheduled for. Initial nutrition consultation will generally last 90 minutes and follow up appointments will generally last 60 minutes depending on the visit. Chiropractic sessions will generally last 20 minutes.

Confidentiality: I have been informed that all client information and records are treated in a confidential manner. My experiences during these sessions are confidential subject to the usual exceptions governed by state or federal laws and regulations.

Fees and Financial Agreement: Nutrition counseling $100 per hour; Chiropractic Care $50 per session, unless you purchase a pre-pay package of 10 visits. Fees for services are due at the time the service is provided. Cancellation policy is outlined above. Forms of payment accepted include cash or check or credit card. We can file insurance for chiropractic and rehabilitation services yet not for nutritional counseling.

Counseling Process and Your Rights Regarding Treatment: I understand that Dr. Lieber and I will work together to define my goals for nutrition counseling since nutrition counseling is not an exact science, I understand that the results can be variable. I understand that the attainment of a positive outcome is dependent upon the effort expended by both myself and Dr. Lieber and I am willing to put my part into this experience. I understand that I have the right to ask questions about my nutrition counseling and chiropractic care. I also have the right to end my services at any time and understand that I should notify Dr. Lieber when I am finished.

Consent for Treatment: I have read through all the above information and have been clearly advised of my rights and responsibilities as a client of Dr. Matthew J. Lieber for nutritional counseling and/or chiropractic care. I consent to treatment and I understand that I have a right to receive a copy of this form upon request. I also understand that I can withdraw this consent in writing and terminate at any time. Except in the case of gross negligence or malpractice, I or my representative(s) agree to fully release and hold harmless Dr. Matthew J. Lieber from and against any and all claims or liability of whatsoever kind or nature arising out of or in connection with my session(s).
